given to support the education of children and young people

£203,671

given to support with daily living costs

10

people accessed our mental health support

A beneficiary from East Lancashire told us

“ It helps me to go out socially, conversation is very important. After bills there isn't a lot left. Getting out keeps me sane, seeing friends is important when you live alone. It helps with the rising cost of living. ”

And beyond

This year we supported more than **451** charities in England, Wales, the Channel Islands, the Isle of Man and internationally and helped more than **4,000** individuals and households in need.
